Our PROBUS Club of Oshawa will be having our first in person General Meeting since September 2020 on March 8th at the Oshawa & District Shrine Club.

President's Message

I hope this message finds everyone well.

In my February message I said we are hoping to meet in March. Well it is going to happen. After 24 months, we will be having our first in person General Meeting March 8th at the Oshawa & District Shrine Club. With the Government easing restrictions, and the Management Team setting strict protocols, we all agreed this is the opportune time to get back together.

Those of you who have e-mail would have received information on the established protocols and how to go about registering for our first meeting. I know there are members who do not have e-mail, so I reached out to them by phone to let them know about the meeting. If I missed you, my apologies.

I know there are members that are still uncomfortable with meeting in person currently, and we respect your decision.

I was able to attend the second Trivia games night of "Did You Know". Interesting event and there was a lot I "didn't know". There still may be space available for the March 3rd and 17th events and you can register at socialregisteroshawaprobust@gmail.com. There is no cost to register.

Catherine Rooney has arranged an interesting speaker for our March meeting. Hailey Wright from the City of Oshawa who will be speaking on what's happening around the City. I look forward to Hailey's presentation.

I received a message from Community Care Durham. They are currently recruiting new Board Members to join their Board of Directors. I have attached a recruitment Flyer for your consideration. (See end of newsletter)

Please stay safe, keep happy and I hope you can join us for our March meeting. I look forward to greeting you at the door.

*Garry Christenson
President*

One Joke: Senior Shoplifter

A cranky older woman "in her senior years" was arrested for shoplifting at a grocery store. She gave everyone a hard time, from the store manager to the security guard to the arresting officer who took her away.

She complained and criticized everything and everyone throughout the process.

When she appeared before the judge, the judge asked her what she had stolen from the store.

The lady defiantly replied, "Just a stupid can of peaches you old fool."

The judge then asked why she had done it.

She replied, "I was hungry and forgot to bring any cash to the store."

The judge asked how many peaches were in the can.

She replied in a nasty tone, "Nine! But why do you care about that?"

The judge answered patiently, "Well ma'am, because I'm going to give you nine days in jail -- one day for each peach."

As the judge was about to drop his gavel, the lady's long-suffering husband raised his hand slowly and asked if he might speak.

The judge said, "Yes sir, what do you have to add?"

The husband said meekly, "Your Honor, she also stole two cans of peas".

MARCH SPEAKER – Hailey Wright, Director of Economic Development Services, City of Oshawa

Hailey is an experienced leader with extensive knowledge in areas of management, relationship cultivation and sector development. She will be speaking to our group on recent City developments.

A Dance to the End of the World by Thomas Morgan

Jones | Digital

March 14 - April 10, 2022

A cautionary tale for modern times

Directed by Soheil Parsa | Illustrations by Josh Murdock

A time of plague, in a time before modern technologies. A horribly contagious and deadly disease is spreading across the country. Quarantining is taking its toll on the populous. There are those who are willing to pay any price for protection from the sickness, and those who will take advantage of that desperation for their own gain. A father is desperate to protect his young daughter but becomes entangled in a priest's plan to use the plague for profit. And the angel of death is witness to it all. But amidst the despair, the girl and the angel strike their own deal -- a deal that will set one of them free.

This gripping play will be presented as an audio drama, accompanied by a stunning digital book of illustrations for each scene by local Indigenous tattoo artist Josh Murdock. Listen to the play, explore the book of art, or enjoy them together!

Run Time: 60 minutes

Suitable for 16+

Play runs from March 14 to April 10.

Member Care

With a Club such as ours, we need your help to let us know if one of our members is experiencing a serious illness or is hospitalized. Our Club would like to let our ill members and their families know that they are in our thoughts as they deal with their illness with respect to the family's wishes for privacy.

In the same way, we need you to let us know if you become aware that a member, their spouse or close family member has passed on. Often the family does not think to contact our Club, or know who to contact under these difficult circumstances. We would like to respect the wishes of family and give our members the opportunity to express their condolences to the bereaved. Please let us know so we can respond appropriately.
