The Oshawa Probus Club was officially established in January 2004 with an initial membership of 90 members. It has grown over the years and eventually had to be capped at 250 members. **The cap was removed in September 2014.**

Our Probus Club is an organization for like-minded retired men and women who are interested in and enjoy maintaining a fun social network with others who have similar interests.

Meetings are held at 10:00 AM on the 2nd Tuesday of each month at the Oshawa & District Shrine Club located at 1626 Simcoe St. N. After a short business meeting, a speaker, selected by our Speakers' Committee based on input from our members, delivers a talk. The topics chosen are always interesting & informative.

Members may pursue a variety of interest groups and activities by signing up at our monthly meetings. Ideas for additional interest groups may be suggested to the Special Interest Group Coordinator. Browse our Interest Groups page to get an idea of what activities are currently available within the club.

Our club is about socializing and having fun. We do not fund raise.

Feel free to browse through our website to discover events and activities in which you can participate.
